Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 0400 on Thursday 18 Feb 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells and scattered showers today. Mild and windy.

Today:
Last of the overnight rain and hill snow will clear the east coast by dawn. Then the rest of the day will see a mixture of bright spells and blustery showers. Breezy. Maximum temperature 7 deg C (45 deg F).

Tonight:
Showers dying out with some clear spells for a time. However cloud and rain will return in the early hours, with strengthening southerly winds, reaching gale force later in east. Minimum temperature 4 deg C (39 deg F).

Friday:
Mainly cloudy with outbreaks of rain, heavy at times. A brighter spell possible in the west in the afternoon. Turning clearer during the evening. Mild but windy, gales east coast. Maximum temperature 11 deg C (52 deg F).

Outlook for Saturday to Monday:
Bright start on Saturday then rain later. Sunny spells on Sunday and Monday. It will be windy at times.
